Objective

I seek challenging opportunities where I can fully use my skills for the success of the organization.

Experience

- INDUSIND BANK** Sep 2023 - Feb 2024
Business Development Manager
 - Client Management:** Existing customer management has been done, this ensures high level of customer satisfaction and retention
 - Data Management:** Data management systems for clients were kept in CRM systems. It has been ensured to provide accurate data insights for sales teams.
 - KPI Reporting:** Every month, I had to make KPI reports which I presented to the Manager. This enabled them to be well aware of decisions that they made and also adjusted for their strategies
 - Strategic Reporting:** Developed and presented monthly KPI reports to senior management, leading to data-driven decision-making and strategic adjustments
 - Market Research:** Conducted in-depth analysis of market trends and customer needs, aiding in the development of targeted marketing campaigns.
- HDFC BANK** Apr 2022 - Jun 2023
Branch Sales Officer
CREDIT CARD
 - Data Analysis & Reporting:** Analyzed sales performance data to identify key trends and customer preferences, leading to a 20% increase in credit card sales through targeted campaign
 - Market Research & Customer Insights** Conducted market research to identify potential customer segments for credit card products, resulting in a 15% increase in market penetration.
 - Process Improvement & Optimization** Identified inefficiencies in the credit card application process and implemented solutions that reduced processing times by 25% and improved customer satisfaction.
 - Customer Experience Enhancement:** Resolved customer issues and inquiries related to credit card accounts, improving service response times and achieving a 20% increase in positive customer feedback
