Expert knowledge

A sales professional specializing in hunting in the IT Services industry. Works as a door opener with a consulting approach. Has hands-on experience in end-to-end sales from lead generation, to nurturing, to closure - for both IT services and software products. Focused on SMEs, corporate and enterprise accounts. Fluent in German and rich experience of living and working in Germany, Austria & Switzerland. Experienced in working in USA & Latin America, UK, South Africa, Australia, the Middle East and western Europe.

Customer facing skills. Ability to confidently showcase the value- proposition to C, V, and D-level customers and engage effectively with them.

Ability to understand the big picture transformation goals of customers and to break them down into smaller, do-able tasks as starting projects.

Ability to get to the pain point of the customer and understand the challenge.

Skills to cross-sell/ up-sell and identify new opportunities to grow the account.

Builds trust and confidence in customers. Nurtures them with care and love.

Professional skills

Independently designs and implements end-to-end email marketing campaigns – from topic identification to content writing and to email sending. Analyzes campaign results and does lead-nurturing through calling and social networking to convert a lead into a concrete opportunity.

Expertise in LinkedIn Sales Navigator to network with prospects.

Expertise in using tools like Click Dimensions and DealFront as per GDPR rules.

Collaborates with marketing team to implement campaigns on LinkedIn, conduct webinars, events and invite prospects to trade shows. Converts a MQL (Marketing Qualified Lead) into a SQL (Sales Qualified Lead).

Team management, setting targets, evaluating performance, and mentoring.

Comprehensive network to IT decision-makers and Microsoft account executives.

Soft skills

Enthusiastic & self-motivated. Works like an employee but plans like an owner.

Proactive attitude, pays attention to detail, interact with people across cultures.

Excellent communication skills in German and English - written and verbal.

Takes end-to-end responsibility for a task and delivers it successfully.

Team player. Collaborates globally and works hands-on. Delivers results.

Interests

Mentoring children, building good values in them, restoring things to improve their longevity, travelling, cooking, reading, and playing football and badminton.
