floraedwin407@gmail.com

Singanallur, Coimbatore

PROFILE SUMMARY

Highly motivated and detail-driven market researcher with 2 years of experience in sourcing, analyzing, and interpreting data from various online platforms. Committed to providing accurate and timely insights to support decision-making and strategic planning. Eager to collaborate in a dynamic environment, where I can apply my research skills and continue to grow professionally while delivering high-quality, actionable findings.

WORK EXPERIENCE

MAJESTIC PEOPLE INFOTECH

2022 - 2024

Market Researcher (Pre-sales)

- Collect and analyze data for business forecasting and identifying opportunities.
- Completed, recorded, followed-up and maintained bid requests received from all entities, including federal, state and local government agencies.
- Collected historical cost data to estimate costs for future contracts.
- Providing regular input on all bidding activities, including reports on a weekly basis to the manager.
- Account creation for vendor registration.
- Generated 2000+ qualified leads for various companies.
- Discovering US Tech oriented events and reported into onsite decision makers.
- Led a team of junior analysts to streamline data gathering and analysis processes, resulting in a 60% increase in team output.
- Documented KT sessions for our upcoming resources to be trained.
