Introduction to AI

PMP Basics

ERP Functional Consultant / Business Analyst with 7+ years of experience delivering end-to-end Cloud ERP implementations across Saudi Arabia, Oman, and India. Strong functional expertise in Finance, Supply Chain, Projects, Manufacturing, HR, and Asset Management, with hands-on experience in ZATCA e-Invoicing, VAT, and GCC business practices. Open to employer-sponsored relocation.

EXPERIENCE**Business Analyst- DTK(Startup)– Kochi, India**

March 2025 – Present

- Eliciting and documenting business and functional requirements for Cloud ERP and IT transformation initiatives.
- Preparing BRDs, FRDs, process flows, and user stories to align business objectives with system design.
- Coordinating with development and QA teams to ensure on-time delivery and quality outcomes.

ERP Functional Consultant-Saudi Information Technology Network (SITN) – Dammam, Saudi Arabia

Apr 2023 – Aug 2024

- Led **end-to-end cloud ERP implementations** for trading, contracting, and manufacturing clients across KSA, achieving **30% improvement in process efficiency**.
- Configured and delivered ERP modules including **Finance, Supply Chain, Contracting Projects, Manufacturing, HR, and Assets**.
- Acted as the **primary liaison between Saudi business users and technical teams**, ensuring alignment with local business and regulatory requirements.
- Successfully supported **ZATCA portal integration**, ensuring compliance with Saudi e-invoicing regulations.
- Delivered user training and post-go-live support for **100+ end users**, improving system adoption, and reducing operational issues.

ERP Implementation & Technical Support Consultant-Linkway Software Solutions – Oman (Remote)

Oct 2020 – Mar 2023

- Delivered multiple ERP implementations for SME clients, mapping business processes to ERP solutions to improve operational control and reporting.
- Managed deployment, upgrades, monitoring, data migration, and ongoing support for ERP and IT systems.
- Coordinated with stakeholders and technical teams to resolve configuration and performance issues, ensuring stable production environments.
- Supported local IT operations including endpoints, network, and hardware while acting as a key client-facing consultant.

IT Project Coordinator-Skybertech IT Innovations – Thrissur, India | Oct 2019 – Sep 2020

- Coordinated **end-to-end ERP implementation projects** across banking, healthcare, and retail domains.
- Facilitated stakeholder meetings, tracked risks, and ensured delivery within scope and timelines.
- Led User Acceptance Testing (UAT) cycles, ensuring solutions met business requirements prior to go-live.

ERP Implementation & Technical Support Engineer--Polosys Technologies – Kerala, India

Sep 2018 – Aug 2019

ERP Implementation & Support Engineer--Soware Innovations – Kochi, India

Aug 2016 – Aug 2018

- Supported ERP implementation, configuration, user training, and technical support activities across multiple client engagements
