India | Open to International Opportunities

Email: mittalthanki13@gmail.com | **Phone:** +91 96244 27388

PROFESSIONAL SUMMARY

Microsoft Dynamics 365 Business Central Developer with 3.5+ years of hands-on experience in AL development, system extensions, and integrations. Expert in building scalable solutions, SharePoint-based document management, and custom UI development. Seeking a growth-oriented environment that values technical learning and stability.

TECHNICAL SKILLS

- **Business Central:** SaaS, AL Language (Extensions, Pages, Tables, Codeunits, Reports), Event Subscribers, Performance Optimization.
- **Integrations:** REST APIs, Web Services, JSON-based Data Exchange, Real-Time Sync.
- **UI/Document Management:** SharePoint Integration, DMS, JavaScript Control Add-ins, Custom FactBoxes.
- **Microsoft Platform:** Power Automate, Dataverse, Copilot Studio.

PROFESSIONAL EXPERIENCE

Shreeji SoftInfo Consultancy LLP | Technical Consultant

May 2025 – Present

- Developed a SharePoint-based Document Management System (DMS) integrated with Business Central.
- Automated document transfers to SharePoint during release and posting workflows.
- Built custom JavaScript Control Add-ins for seamless UI document access.
- Offloaded Business Central attachments to SharePoint, reducing database size and improving data security and long-term storage efficiency.

Infinixo Technologies | Technical Consultant

August 2024 – May 2025

- Designed and implemented a custom Vessel Management module.
- Migrated functionality from legacy local databases to scalable AL-based solutions.
- Implemented two-way API integrations for real-time data synchronization.

Dhyey Consulting Services Pvt. Ltd. | Technical Consultant

July 2022 – May 2024

- Served as Technical Lead for end-to-end Business Central implementations.
- Translated complex business needs into practical AL-based solutions.
- Managed development, testing, and deployment phases while maintaining platform standards.

EDUCATION

- **Bachelor of Engineering (ICT):** Adani Institute of Infrastructure Engineering (2019-2022).
- **Diploma in Information Technology:** Sanjay Rajguru Education Zone (2016-2019).
