

RUTHRA SREE K

Coimbatore, Tamil Nadu | 78100 36788 |ruthrasree09@gmail.com

Summary

Self-motivated finance and operations professional with B.Com and Master of International Business, experienced in SAP S/4HANA transactional processing and business operations support. Skilled in managing order lifecycle, documentation, data accuracy, and cross-functional coordination. Adept at analysing business processes, maintaining system records, and supporting operational workflow to improve efficiency and ensure compliance. Committed to delivering reliable operational support and driving continuous process improvement.

Experience

Business Operation Administration	11/2024 to Current
RPM International - RPMCPG Global Service centre	Coimbatore, Tamil Nadu

- Processed and managed UK customer sales orders using **SAP S/4HANA**, validating pricing, delivery details, and order data to ensure accurate system transactions and billing readiness.
- Maintained accurate transactional records and documentation within SAP, supporting operational transparency, reporting requirements, and audit compliance.
- Generated delivery notes and monitored expected delivery timelines (ETA) while tracking outbound goods status and updating system records to ensure timely order fulfilment.
- Processed Proof of Delivery (POD) confirmations to reconcile delivery data and support downstream invoicing and order closure processes.
- Managed customer queries and complaints through SAP quality notification workflows, coordinating with internal teams to ensure timely issue resolution.
- Collaborated with sales, logistics, and customer service teams to streamline order processing, improve workflow efficiency, and resolve operational issues.
- Ensured high levels of data accuracy and system integrity by maintaining logs for orders, deliveries, and complaints while adhering to internal process guidelines.
- Supported operational reporting and documentation by maintaining trackers and records to assist internal reviews and compliance requirements

Internship
